

# *Initial Build notes*

11/08/2023

CD: Sophia Palitti

Designer: Ben Eskenazi

Project Title: Egyptian Language Website

Notes:

- Change arabic category to say “arabic” instead “arabic designers”
- Have navigation bar and title of page the same color
- Possibly integrate a timeline on to the home page
- Incorporate the FreightTextPro font into the title/display texts
- Possibly change the colors of the text within each category to match the section (hieroglyphs: yellow, hieratic: orange, demotic: red, coptic: blue, arabic: green)
